August 30, 2017

Dear Parents and Guardians:

We had a wonderful beginning of school. The students were excited, especially about the eclipse. We are now settling in to routines and learning adventures.

For picture day this week the students may be out of uniform. Please keep in mind the school rules as to attire. No shorts are allowed unless they are below the knee, all shoes must be worn with socks and if a student wears yoga pants or leggings they must wear a tunic, long top. If you have any questions, please don't let your child wear the clothes. All students need to bring in the order form that was handed out last week.

There was a mistake in the web address for the parish survey for Renew My Church it is www.disciplemakerindex.com. Thank you for your understanding.

Beginning next week, information will be sent home electronically. You will still receive a brown envelope with grade specific information like progress reports, letters from the teacher, B/A care bills, lunch orders, etc.

This summer we replaced concrete in front of room 113 and also put in a new floor in the second floor hallway. We had to remove asbestos tile for this project under very stringent procedures. Most of the asbestos in the building was removed when we did noise abatement in 2003 except for the tile. We have complete reports in the school office.

Parents Night is next week on Thursday, September 7th at 7:00 P.M. We all meet in the gym for a short presentation and then go to the classrooms to meet the teachers. This evening is for adults. Our book fair is also next week and will be open at Parents Night.

May this beautiful weather continue to brighten our days as we keep in our prayers those that are not as fortunate.

Tuesday, Sept. 5th 2:00 P.M.
Early dismissal

Blessings,

Mrs. Jeanine Rocchi
