Dear Parents and Guardians:

Our fire prevention demonstration and bus evacuation drill went very well. The students were very attentive about learning how quickly things can change in a fire.

Yesterday our third grade class prepared our all school liturgy. It was very nice honoring Mary during this month of the rosary. Every student received a rosary. Please continue to pray the rosary with your children.

Things are moving along with the many Parent Club activities. Next week please go to the Great Escape. The school receives 15% of receipts during the entire week. Our Trunk or Treat event is moving along. If you want to be one of the people that decorate your car trunk for the children, please fill out the form. We are hoping to get at least 20 vehicles to join in the fun for all. Tickets for the silent auction/basket dinner dance on November 17th are coming in. Thank you to those that have already donated something for your child's grade level basket. These baskets are marvelous when they are all completed.

Next week, Our Student Council is planning Red Ribbon Week to be aware and fight against drugs. Please look over the flyer for the many activities and what the students may wear during the week.

Please keep in mind that the office cannot deliver messages to students unless it is an emergency. Please instruct your child that if they don't see you at dismissal they should go our aftercare program.

Fall is in full swing. May we continue to see and enjoy the beauty of the season.

Blessings,

Mrs. Jeanine Rocchi
