

# PRINCIPAL'S PAGE

October 4, 2017

Dear Parents and Guardians:

This Wednesday is the second parish meeting for Renew My Church. It will take place in church from 6:30 P.M. to 8:30 P.M. Information was send home last week about the different scenarios presented relating to the future of our parish, school and related parishes and schools. During this meeting, feedback will be gathered from the parishioners about these scenarios.

The winners of our raffle will be chosen on Friday, October 6<sup>th</sup>. Thank you for your cooperation for this fundraiser. It is a significant portion of our school budget.

Saturday, Oct. 7<sup>th</sup> is our annual parish pet blessing. This will take place outside of the school at 12:30 P.M. This is always a very prayerful, interesting event with a great variety of pets.

In the brown envelope you will find general Aspire Test Scores for the Archdiocese and also our school. You may access your child's results by signing into Power School and clicking on the tab that says Aspire results. On our school website at [www.stcelestineschool.org](http://www.stcelestineschool.org) you will find additional information regarding the Aspire testing.

The Elmwood Park Fire Department will be doing a presentation for our students next week for Fire Prevention week.

As we try to comprehend the tragedy in Las Vegas may we continue to send prayers.

Blessings,

*Mrs. Jeanine Rocchi*
