Dear Parents and Guardians:

Will spring ever arrive? We have definitely been challenged with the weather this year. Even the breakers on our heating system didn't know which way to go over the weekend but now everything is set.

The tuition payments for this current year, 2017-2018, are now complete. Today you are receiving your tuition booklet, if you registered and returned your tuition agreement, for the 2018-2019 school year. The first payment for the new school year is May 1, 2018.

Our second graders will be making their First Communion on Saturday, May 5<sup>th</sup>. They have a special family breakfast this Sunday after the 9:00 A.M. Mass. Please keep them in your prayers as they prepare for this special sacrament.

Many students have been obsessed with the video game "Fortnite" staying up until all hours. This is going on nationwide. We have had students falling asleep in class because they are not getting enough sleep. Please be aware of what websites and games your children are playing. There are many inappropriate websites and apps that lure the students and making it very attractive to them. We are working on giving you further information in the future.

A big thank you goes to all of the athletic volunteers for a great Trivia Night last Saturday. The event was well attended and a lot of fun even if you didn't know many of the answers. Student Council Spirit week begins on Monday.

May our spring flowers be able to bloom very soon in warmer weather.

Please read enclosed letter from the new Principal, Mrs. Klich

Blessings,
