

Principals Page

Dear Parents,

Report cards are right around the corner. They will be sent home next week. Please note that if there is outstanding tuition or before and after care charges, the report card will be held in the office until payment is made. Please reach out to the office if you have any questions.

Registration for the 2019/20 school year continues. If you have registered, thank you for your continued commitment to our school community. If you have not, please do so soon! Our school community is second to none!

One of the things that makes St. Celestine so special is that students experience a wide range of activities. After school Athletics allow students to play basketball, volleyball, and softball. Both competitive and instructional programs are offered. Over 70% of our students participate in some sort of athletic activity. Our programs continue to improve with a new partnership with Positive Coaching Alliance. We have really wonderful opportunities for Virtus-trained parents to volunteer as a way to support the school. Please use this link (<https://stcelestineschool.org/athletics/>) if you are interested in volunteering.

The St. Celestine Parents Club offers events and activities for both students and parents, as well as help with fund raising for the entire school. Book Fairs, restaurant nights, the annual Fun Fair and movie nights are just a few of the activities for students and families. All strengthen the positive community of St. Celestine School. Right now, Parents Club is selling Queen of Hearts Raffle tickets, with a 8:00pm Thursday night drawing at George's on Belmont every week. Please click on this link for more details (<http://stcelestineschool.org/queen-of-hearts/>) .

Thank you for all of the wonderful things you do to support the school!

With Gratitude and Blessing,
Sheila M. Klich
Principal
