JULY 1, 2018

Dear St. Celestine Families and Community,

I hope this letter finds everyone well and excited for the upcoming school year! Although students and teachers are off school during the summer, it is a time of continued learning and adventure for me as I prepare for the year ahead.

I want you all to know that I am absolutely thrilled about being your new principal! For me, it has been a summer of growth, learning, and appreciation for everything St. Celestine School has to offer. I can't wait to work with each and every one of you. I will be in the office the remainder of the summer, getting ready for the first day of school. This summer I have worked closely with Jeanine Rocchi and the staff, spending time reflecting upon our programs, curriculum, and culture. Consequently, I really see that St. Celestine School is blessed to have such a dedicated, compassionate and professional faculty; the most supportive and caring school community and parents ever; and amazingly talented and hardworking students.

The beauty of our school is in our sense of community and the kindness we create here. This is our anchor as we continue to grow together in Christ. Our school is a dynamic, faith-filled learning environment with many voices and abundant expertise. I look forward to the learning that lies ahead, and our deepening connection as a school community.

Thank you for the warm welcome that I have received. I look forward to meeting many more of you face to face and continuing to create a rigorous, yet welcoming climate at St. Celestine School. In the meantime, I can be reached by phone at the school office or at sklich@stcelestineschool.org.

Have a wonderful rest of the summer!

Sheila Klich

Principal - St. Celestine School
