Dear Parents and Guardians:

Our Boosterthon Fun Run was a fantastic event. The weather cooperated and all of the students had a wonderful time. We don't have the final numbers yet but it is approximately \$17,000.00 that was earned. The students really enjoyed watching the teachers and I get a pie in our face and then twenty students silly stringed us. It was a lot of fun. We are very grateful for the wonderful participation and generosity.

Our 8<sup>th</sup> graders had a good retreat at the St. Mary of the Lake Seminary in Mundelein, IL on Tuesday. There are many 8<sup>th</sup> grade activities coming up that include the school May Crowning and ribbon ceremony on Thursday, the 8<sup>th</sup> grade dinner dance, the faculty-student volleyball game and graduation. The year is quickly coming to a close.

Athletics had an award night on Tuesday. It was nice to see that there are so many students involved in our many programs. This year's pictures from athletics were very nice. Thank you to our athletic director, Todd Nettelhorst and the entire athletic committee for their hard work and dedication.

Our book fair is next week on Wednesday, May 23<sup>rd</sup>. To promote summer reading the students buy one book and get one free. Just a reminder that sales tax is collected for each purchase.

It was announced at church on Sunday that the new name of the combined parishes is St. Mother Theodore Guerin Parish with St. Celestine Church, St. Cyprian Church and St. Celestine School.

May the rain bring lovely spring flowers.

Blessings,

*Mrs. Jeanine Rocchi*
