Nov. 14, 2018

Dear Parents and Guardians:

Please remember that we have Parent/ Teacher Conferences November 19<sup>th</sup> and 20<sup>th</sup>. Students will be dismissed at 11:30. There will be After Care available until 6pm. Please be on time for your scheduled conference. Also please check with the office to see if you have any outstanding balances. Report cards will be withheld until balances are paid.

We have had some successes recently in math and academic contests. Seventh grader, Nina C., was awarded a third place trophy at the Guerin Prep High School math contest. Other participants were Vicky D., Natasha D., Joseph H., Veronica D., Megan S., and Kenton D..

Our girls took first place at the Trinity High School Academic Bowl this past Saturday. The seventh and eighth grade team members are Meri H., Sophia C., Nina C., Marinel S., Vicky D., Angelina W., and Amber C..

Thank you to Mrs. Detty for preparing the students so well for these competitions. Participation in these competitions require time outside of class time for preparation and, in some instances, a willingness to give up a Saturday to participate. Such dedication is an example of what our teachers do every day for our students.

Please also join me in thanking Ms. Hamilton for preparing the students for the Science Fair and Invention Convention yesterday. She has worked for weeks with the students as they explored a wide variety of science and technology-related concepts. Her hard work with the students is very much appreciated.

Please remember that if you are paying for multiple items through the office, payments must be broken down to individual checks. Multiple payments should not be put on one check. Thanks for your attention and assistance in this matter.

With Gratitude and Blessings,  
Sheila M. Klich
