Dear Parents and Guardians:

Welcome to Winter! It's hard to believe we already have such a layer of snow. I know that many schools were closed. We opted to remain open to help many of the families with parents who work and could not change schedules on short notice. Please know that we respect your decision, as parents, to keep your child(ren) home if you decide it is unsafe to travel.

Please look at the school's Facebook page and website for closure information. Please expect a robo-call with notification, as well. Please make sure that the school office has the most up-to-date phone number for you on file, so you don't miss the call.

The school's Christmas concert is on December 6 in the church. The doors open at 6:30 pm and the show begins at 7:00 pm. We look forward to sharing and celebrating our students' many talents as a special gift to our families.

Please join me in congratulating Ms. Hamilton and Ms. Russo who are participating the Leadership Academy offered by the Archdiocesan Office of Catholic Schools. The Leadership Academy offers those interested in leadership in Catholic Schools the opportunity to learn more and develop their skills. It is a wonderful opportunity for our talented teachers.

Lastly, I am sharing an article about texting and social media etiquette, since a few of you mentioned some concerns. It's a great resource for parents to read and discuss with their children. With Gratitude and Blessings,
