Nov. 7, 2018

Dear Parents and Guardians:

We are days away from the Fashion Show our Parents Club has been planning. They have spent months getting ready for Friday's Fashion Show and the evening promises to be fun-filled and a great way to connect with other parents. Please join me in thanking them for their hard work.

At St. Celestine School, we emphasize developing the whole child and helping them develop the many talents they have. With that in mind, I'm so proud to highlight the strong Music Program we have.

Junior Band rehearsals began today, with students practicing from 7:30 until 8:00. Mr. Dybis has been working hard with these musicians to help them play, learn and grow their abilities.

Ms. Migliorisi mentioned how proud she is of students learning to play the piano. Many of them have moved up a level and are learning new and more difficult pieces. These dedicated students are working very hard.

Every child is benefiting from the new Music curriculum adopted by the school. *Quaver* is a state of the art, interactive music program. Mr. Kamptner has added it to his already rich level of instruction and the students are engaged, learning new music concepts and are very happy. As the holidays approach, we look forward to you hearing the benefits of these wonderful developments in our school!

I do have a few reminders this week. First of all, Parent/ Teacher Conferences will be held from 11:30 until 8:00 on November 19 and 20. Please keep an eye open for your scheduled conference time.

Lastly, I have been asked about changing the type of milk ordered early in the year. The selection white milk or chocolate milk, once made, cannot be changed.

With Gratitude and Blessings,  
Sheila M. Klich
