Dear Parents and Guardians:

Happy Halloween! What a wonderful month October has been! Wonderful things are happening in this school!

The fourth graders recently organized a very successful collection for the animal victims of Hurricane Florence. They created posters for each classroom. They also wrote poems and sang songs that were presented on the morning announcements to promote their cause. A big thank you goes out to all the St. Celestine students and their families for their very generous donations. We were able to send a check for \$700.00 to help the Greenville Humane Society.

Thanks to the very hard work of those involved in our Athletics Program, the basketball season is up and running! Students, through their participation and your volunteerism are learning both the skills to play a sport and important life lessons. Please help us with this by being a good fan and modeling the good sportsmanship we expect. The kids copy what they see.

Should there ever be a game where you have concerns or suggestions, please reach out to the coach, the Athletic Director or me. We are all happy to have conversations that guide the program and continue to bring out the absolute best in our athletes. Thank you for keeping this in mind.

Lastly, please join us tomorrow, Thursday, November 1 at 1:45 in church for our All Saints Day Mass. It is a wonderful opportunity to gather and worship as a community.

Have a wonderful Halloween!

With Gratitude and Blessings,
Sheila M. Klich
