

## ***St. Mother Theodore Guerin Parish St. Celestine School Board***

The School Board assists Mrs. Klich and Fr. Paul with planning. We aid our Director of Development with spreading the word about the superb staff, clubs, academic experiences, and activities our school offers. Board Members also give tours at the annual Open House, reach out to new families, and support Parish events.

We invite parents who wish to provide input on policies and operations to apply for membership. Please pick up an application at the School Office or print one from our Board webpage, which is located under the **Parents** tab on the school's website.

During 2018-2019 we will meet on the third Tuesday of each month at 7pm in the Lower Meeting Room. All parents are invited to attend Board meetings. We post the minutes of the prior month's meeting on the bulletin board outside the School Office.

Additionally, parents may contact the Board President and Vice President directly with general questions or comments. We are happy to share information and resources.
