Kindergarten Aide – YEAR 2017-2018

Jeanette Gonzales

This is my fourth year as a teacher's aide at St. Celestine School. I am very excited to be working with this year's kindergarten class. I am married with three children who all attend here at St. Celestine. I am also extremely involved in Parents Club.

What we love most about St. Celestine School in the sense of family you receive when you come here. In my spare time my family and I love to be as active as possible. We are also huge Blackhawks fans! I am looking forward to a great year!
