YEAR 2018-2019 - Preschool Aide

Christine Chappell

This is my third year here as a preschool aide. I have worked at St. Celestine previously as a primary aide.

I am married and have been a parishioner here for over 25 years. I have three children, one who currently attends St. Celestine, one who attends high school, and one who is grown.

I am looking forward to a fun filled year with many three year old firsts.
