Grade 8 – 202 – YEAR 2017-2018

Maureen Detty - *Teacher*

This is my thirty-seventh year teaching at St. Celestine School. I've already lost count of all the second generation family members I've taught and it's getting a little frightening for me, but it's also a good feeling knowing that we are trusted to educate children of former students.

I graduated from St. William grammar school, Mother Theodore Guerin High School, attended Northern Illinois University in DeKalb, and graduated with a Bachelor of Science degree from Northeastern Illinois University in Chicago. I've been married to Holy Cross graduate, Dennis, for 41 years. I love my Heinz 57 variety dog from Kentucky who loves to chase squirrels and bicycles. You can see me walking him all hours of the day in the neighborhood.

The junior high will be competing in many math and academic bowls this year to foster team cooperation, a sense of achievement, and good sportsmanship. I hope to see many of your children volunteering at the family masses as well. All aboard?
