YEAR 2018-2019 - Eighth Grade - 202

Maureen Detty – *Teacher*

This is my thirty-eighth year of teaching at St. Celestine School. It's amazing how many students that are in our school that have followed in the footsteps of their parents. It is also heart-warming to know that parents choose to send their own children back to the school they attended.

I graduated from St. William grammar school, Mother Theodore Guerin High School, attended Northern Illinois University in DeKalb, and graduated with a Bachelor of Science degree from Northeastern Illinois University in Chicago. I've been married to Holy Cross graduate, Dennis, for 42 years. I love my Heinz 57 variety dog, Oreo, from Kentucky who loves to chase squirrels and bicycles. You can see me walking him all hours of the day in the neighborhood.

The junior high will be competing in many math and academic bowls this year to foster team cooperation, a sense of achievement, and good sportsmanship. I hope to see many of your children volunteering at the family masses as well. All aboard?
