YEAR 2018-2019 - Fifth Grade - 206

Karolina Gicala – *Teacher*

Hello! My name is Karolina Gicala and this is my second year teaching at St. Celestine School. For high school, I attended Lane Tech College Prep High School in Chicago. I graduated from DePaul University magna cum laude with a Bachelor of Science degree in Elementary Education.

I am familiar with the Elmwood Park area because I was raised and still live on the northwest side of Chicago. Some of my interests include: animals, writing, reading, art, and travel. I really love *English* and *Grammar*, but my other passion is history. I enjoy watching historical documentaries, specifically on the World War II period. I also love learning about other cultures and their languages.

I am looking forward to teaching my class of fifth grade students at St. Celestine School! I know that this year will be terrific!
