Grade 4 – 102 – YEAR 2017-2018

Christine Murray - *Teacher*

I graduated from Northeastern Illinois University with a Bachelor of Arts degree in Elementary Education and Special Education-Learning Disabilities. This is my twenty-sixth year of teaching. I have taught in regular and special education classrooms from fourth through eighth grades.

This is my seventeenth year at St. Celestine School. In addition to teaching, I am co-director of the Drama Club. I am also a member of the parish. I am very happy to be a part of the St. Celestine community.

I have two children who graduated from St. Celestine School. My daughter, Alison, is in her final year at Feinberg School of Medicine, Northwestern University. My son, Connor, is a senior at Northwestern University majoring in mechanical engineering.

I enjoy traveling and have been to many states in our great country. I have also traveled to many countries in Europe, and Tanzania, Africa. This summer, my husband, Patrick, and I traveled to Alaska to celebrate our thirtieth anniversary.

Teaching here has been a rewarding and enjoyable experience. I look forward to another great year of learning experiences with my new students.
