### **YEAR 2018-2019 - Fourth Grade - 102**

**Christine Murray** – *Teacher*

I graduated from Northeastern Illinois University with a Bachelor of Arts degree in Elementary Education and Special Education-Learning Disabilities. This is my twenty-seventh year of teaching. I have taught in regular and special education classrooms from fourth through eighth grades.

This is my eighteenth year at St. Celestine School. In addition to teaching, I am co-director of the Drama Club. I am also a member of the parish. I am very happy to be a part of the St. Celestine community.

I have two children who graduated from St. Celestine School. My daughter, Alison, graduated from medical school in May and is doing her pediatric residency program at Lurie Children's Hospital in Chicago. My son, Connor, graduated from Northwestern University with a degree in mechanical engineering. He has just relocated to Madison, Wisconsin for a new job.

One of the things I enjoy doing is traveling with my husband, Patrick, and our family. We have taken family trips to many states in our great country. We have also traveled to Tanzania, Africa and many countries in Europe.

Teaching here has been a rewarding and enjoyable experience. I look forward to another great year of learning experiences with my new students.
