YEAR 2018-2019 - Kindergarten - 113

Michelle Doyle – *Teacher*

This is my **fourteenth year here at St. Celestine in kindergarten** and my seventeenth year of teaching. I graduated from **Dominican University** with a *Bachelor of Science in Mathematics* and a *Master of Science in Education* with a concentration in literacy and I am currently working on another degree with a concentration in technology education.

I am married and have three children. My children are proud to be third generation St. Celestine students. My family enjoyed a trip to Washington, D.C. this summer. I also enjoyed seeing my children participate in Camp Invention and sports camps at St. Patrick High School and many programs at the Elmwood Park Library. In my free time I enjoy reading (especially with my children) and sewing quilts.

I love teaching kindergarten and I am looking forward to another fun and exciting year. I am especially interested in incorporating technology into the classroom. I am an ambassador for both OSMO and Seesaw, which are both apps that I use in my classroom. I am excited to bring this information into my kindergarten class.
