YEAR 2018-2019 - Physical Education

Bernadette Bass – Teacher

This is my 21st year teaching at St. Celestine School. I graduated from Quincy University with a Bachelor of Science degree in Physical Education. I was also a High School counselor for summer camp at Interlochen Music camp in Mich. for 2 summers.

My husband and I have 4 grandchildren. Xander is 13, Jason 11, Gabriella 11, and Anthony, 4 yrs. old. We went to the Dells with our family. I had a blast as this was my first time there! We all “mined” for gems and I found a beautiful amethyst. Summer was busy really enjoying being with our grandchildren.

We have been members of St. Celestine parish for 38 years, with both of our daughters graduating from St. Celestine School. I’d like to welcome all our new students and our returning students. I’m really looking forward to another school year with new activities, games and enthusiasm, including the Free Throw Contest, sponsored by the Knights of Columbus. It’s going to be a great year! GO CELTICS!..... and let’s not forget about our CUBBIES!!!
