YEAR 2018-2019 - Preschool - 110

Karen Pharis – *Teacher*

This is my 20th year working with preschoolers. I really enjoy working with the little ones. They pick up things like little sponges and you never know what they're going to say, which makes things fun and interesting.

I have a Bachelor's in Psychology and a Masters in the Art of Teaching. My daughter teaches at Barrington Middle School and my brother is a retired high school teacher.

My daughter and her family live close by and my son lives in Salt Lake City. I have 2 grandchildren who are 19 and 17.

This summer I went to Duluth, Minnesota for a wedding with my family. We enjoyed many get-togethers with family and friends during the summer.

I'm really looking forward to an interesting and enjoyable year with my young students.
