YEAR 2017-2018

Jeanine Rocchi - *Principal*

I am beginning my 24th year as principal of St. Celestine School. I am very proud and excited to work at St. Celestine School. I have experience in teaching at the elementary, high school, and college levels. I have a Bachelor's and Master's degree in chemistry from DePaul University and a Master's degree in Educational Administration and Supervision from Dominican University.

I have been a parishioner of St. Celestine Church for 44 years. My husband, Mike and I have two children. Stephen is an architect and Melissa is an art therapist and chief executive officer of Aloria Health treating eating disorders. My husband and I both enjoy the water and spend many weekends boating on the Chain of Lakes.

St. Celestine School and Parish are wonderful places to grow in faith and learning. We are so fortunate to have a dedicated faculty, supportive parents and parish, and energetic students. I am very proud to be part of this wonderful place.

Thank you
