Learning Resource Center – YEAR 2017-2018

Cara Schnoebelen - ResourceTeacher

This is my third year teaching at St. Celestine School. Last year was my first year as Reading Resource Teacher. I really enjoyed it and am excited to continue working with all of my students and their teachers. For the past eight years, I have taught at both high school and elementary school levels.

I graduated from Concordia University with a Bachelor of Arts degree in Elementary Education with concentrations in reading and special education.

I have a great husband and two wonderful sons. My oldest son, who graduated from here in 2012, will be entering his sophomore year at Loyola University. My younger son will be graduating from here in May. We also have been parishioners for 24 years and feel blessed to be a part of the St. Celestine community.

In my spare time, I enjoy being with family, baking, shopping and of course, reading.
