Learning Resource Center - YEAR 2016-2017

Caroline Vengazo - *Reading Resource Teacher*

This is my third year at St. Celestine working with middle and upper grade students. I share my time between St. Celestine and the Early Childhood Center in Elmwood Park. I graduated from Duquesne University in Pittsburgh, Pennsylvania with a Bachelor of Arts degree in Elementary and Special Education. I also hold a Master of Arts degree from the University of Illinois at Chicago in Literacy, Language, and Culture, with a Reading Specialist license.

Outside of the classroom, I keep a busy schedule with my daughter in 4th grade, another daughter in 3rd grade, and my son in kindergarten.

You can find me on a soccer field, basketball court, the library, cooking with my family in the kitchen, or walking our new dog in the neighborhood.
