YEAR 2018-2019 - Learning Resource Center

Cara Schnoebelen – *ResourceTeacher*

This is my fourth year teaching at St. Celestine School. I really enjoy my role as Reading Resource teacher and am excited to continue working with my students and their teachers.

For the past nine years, I have taught at both high school and elementary school levels.

I graduated from Concordia University with a Bachelor of Arts degree in Elementary Education with concentrations in reading and special education.

I have a great husband and two wonderful sons. My oldest son, who graduated from here in 2012, will be entering his junior year at Loyola University. My younger son just graduated from here last May and is a freshman at St. Pat's.

We have been parishioners for 25 years and feel blessed to be a part of the St. Celestine community.

In my spare time, I enjoy being with family, baking, shopping and of course, reading.
