Grade 6 – 211 – YEAR 2017-2018

Alyssa Russo - *Teacher*

This is my second year teaching at St. Celestine and I am so excited to be back! I graduated from Marquette University with a Bachelor of Science Degree in Education and Science. Marquette's incredible education program prepared me with many skills and tools that I implement in my classroom.

At St. Celestine I am a moderator for Student Council. I also coach Track and Field and tutor. I love being involved in this wonderful community. It's amazing to see what students can accomplish inside and outside of the classroom.

In my spare time I love to explore new parts of the city and spend time my family and friends. I also love to read (fantasy is my favorite!) and discuss different books. Over the summer I worked as a Camp Director in Highland Park. I oversaw the Counselors in Training Leadership Camp for children ages 10-13. I loved spending time outdoors and with my campers. I also enjoyed spending time at my family's river house in Dixon, IL. It is right on the Rock River and we all try to spend as much time as possible there!
