YEAR 2018-2019 - Sixth Grade - 211

Alyssa Russo – *Teacher*

This is my third year teaching at St. Celestine, and I am thrilled to be back! I graduated from Marquette University with a Bachelor's of Science in Education and Science. Marquette's incredible education program prepared me with many skills and tools, which I implement in my classroom today.

I love being involved in our wonderful St. Celestine community! During the school year you can find me moderating Student Council, coaching track and field, attending student math competitions, and tutoring students. My classroom is never empty. Seeing what students can accomplish both inside and outside of the classroom is so amazing to see!

In my spare time, I like to explore new parts of the city, spend time with family and friends, and read and discuss different books (fantasy is my favorite). I also love to visit my family's river house in Dixon, IL. It's right along the Rock River, and we like to spend as much time there as possible. Some of my favorite things include: Taylor Swift, Starbucks (or coffee in general), anything Disney, and the color pink.
