Grade 6 – 213 – YEAR 2017-2018

Dina Niemczyk - *Teacher*

First of all, I am very happy to be back at St. Celestine, this will be my 11th year here. I graduated from Northern Illinois University in 2005 with my Bachelor of Science degree in Education. I've taught English at St. Celestine School for the past 10 years. I'm looking forward to teaching Social Studies this year to the 5th and 6th grades.

In my spare time, I enjoy watching sports (especially our St. Celestine Celtics). It would not be out of the ordinary for you to find me at a few games throughout the season. I love going to Wrigley Field and watching the Cubs during the summer. During the school year, I enjoy going to the United Center to watch a Bulls or Hawks game.

I try to go on vacation as often as possible. Over the summer, I took a road trip to Philadelphia. Along the way, we stopped at the Rock and Roll Hall of Fame, the United 93 Memorial, and the NFL Hall of Fame.

As usual, I look forward to another incredible year here at St. Celestine's.
