YEAR 2018-2019 - Sixth Grade - 213

Dina Niemczyk – *Teacher*

First of all, I am very happy to be back at St. Celestine, this will be my 12th year here. I graduated from Northern Illinois University in 2005 with my Bachelor of Science degree in Education. I've taught English at St. Celestine School for 10 years, and have spent the last two years teaching Social Studies to 5th and 6th grades.

In my spare time, I enjoy watching sports (especially our St. Celestine Celtics). It would not be out of the ordinary for you to find me at a few games throughout the season. I love going to Wrigley Field and watching the Cubs during the summer. During the school year, I enjoy going to the United Center to watch a Bulls or Hawks game.

As usual, I look forward to another incredible year here at St. Celestine's.
