### **YEAR 2021-2022**

#### **Anna Deavila - 2nd Grade Teacher**

Hello!! I am so excited to be returning as a 2<sup>nd</sup> grade teacher for my second year here at St. Celestine. This will be my 8<sup>th</sup> year teaching, as I previously taught 1<sup>st</sup> grade for six years at a public school.

I have always wanted to be a teacher, so I chose to attend Loyola University of Chicago because of its excellent School of Education. There, I earned a Bachelor of Science degree in elementary education, with an endorsement in English as a Second Language. I also earned a Master of Art degree in educational technology from Aurora University to better incorporate technology into my teaching.

Having attended Catholic elementary and high schools, as well as Loyola, I wanted to teach in a Catholic school. I believe there is a special faith community that forms in a Catholic school. I look forward to sharing and growing my faith within St. Celestine's community.

In my spare time, I enjoy baking and traveling! Baking allows me to relax while creating delicious treats for friends and family. Traveling allows me to experience many different cultures and adventures outside of my comfort zone.

This is going to be a wonderful year!
