### **YEAR 2023-2024**

#### **Anna Deavila – 2nd Grade**

Hello!! I am so excited to be returning as a 2nd grade teacher for my fourth year here at St. Celestine. This will be my 10th year teaching!

I have always wanted to be a teacher, so I chose to attend Loyola University of Chicago because of its excellent School of Education. There, I earned a Bachelor of Science degree in elementary education, with an endorsement in English as a Second Language. I also earned a Master of Art degree in educational technology from Aurora University to better incorporate technology into my teaching.

Having attended Catholic elementary and high schools, as well as Loyola, I wanted to teach in a Catholic school. I believe there is a special faith community that forms in a Catholic school. I look forward to sharing and growing my faith within St. Celestine's community.

In my spare time, I enjoy baking and travelling! Baking allows me to relax while creating delicious treats for friends and family. Travelling allows me to experience many different cultures and adventures outside of my comfort zone.

I love being part of this community, and looking forward to another wonderful year!
