YEAR 2021-2022 - Learning Resource Center

Cara Schnoebelen - Resource Teacher

This is my sixth year teaching at St. Celestine School. I graduated from Concordia University with a Bachelor of Arts degree in Elementary Education with concentrations in Reading and Special Education. For the past 12 years, I have worked at both the high school and elementary school levels. I really love being part of this amazing school, and am very excited to work with my fabulous students, colleagues and principal again. This is going to be an awesome year!

I have a great husband and two wonderful sons who attended school here. My oldest son works in healthcare administration and my younger son, a high school senior, is an honors student at St. Patrick High School. Our family will always be grateful for the excellent Catholic education they received here. We have been parishioners for 28 years, and feel blessed to be a part of the St. Celestine community.

In my spare time, I enjoy being with family, baking, shopping and of course, reading.
