YEAR 2022-2023

Christopher Mazur - Third Grade - Room 100

Hello my name is Christopher Mazur. I am 36 years old and live in Norridge, IL. I am thrilled to start working at St. Celestine's School this year as a Third Grade Teacher. I am honored to work at a Catholic school because my religion is Catholic. Plus, I went to Catholic schools throughout grade school, high school and college.

I graduated from Dominican University where I majored in Journalism. I know how to speak Spanish and have visited Ecuador, Colombia and Spain. I worked as a reporter for a few years and then in 2011 I began to work in the Education field starting as a teacher's assistant in preschool classrooms. I also have worked as a Kindergarten teacher, a Substitute teacher for elementary classes and a Third Grade bilingual teacher.

I like hanging out with family and friends, watching movies, dancing, swimming and going to the beach. I enjoy writing and exploring new places and restaurants. I am a big fan of chocolate cake and cookies. Some of my favorite movies are from The Avengers, Transformers, Lord of the Rings and Star Wars. I play sports for fun such as basketball, soccer and football.

I am looking forward to meeting the Third Grade students, their families, staff and the community that make up St. Celestine's School. I know it will be a fun and interesting year where we all learn a lot and achieve our goals. I am excited to start the new school year soon!
