YEAR 2021-2022

Dominique King - 3rd Grade Teacher - Reading

My name is Dominique and this is my first year teaching at St. Celestine School! I am so honored and grateful to have been chosen to teach 3rd grade this year, as elementary grades K-3 are very near and dear to my heart.

I graduated from Walther Lutheran High School (now Walther Christian Academy) in Melrose Park, and have completed my undergraduate studies at the University of Illinois at Urbana-Champaign, Triton College, and Concordia University, respectively. I have 5+ years of teaching experience, and began my first teaching adventures being a full-time substitute teacher and long-term substitute in a public school district near my home.

I am currently completing my Masters Degree in Elementary Education with an ESL endorsement, through Dominican University in River Forest. I love teaching Reading and English Literacy, as well as working in Dual Language classroom settings. I am fluent in English, Spanish, coffee brews and having fun! I also firmly believe that some of my greatest, most brilliant mentors are between the ages of 3 and 9 years old!
