YEAR 2022-2023

Donna DelMedico - School Financial Secretary

WOW! 30 years and counting...I can't believe it. I guess working with such great people and awesome children makes the time just fly by. In addition to my normal duties in the school office ordering supplies, collecting tuition, Before & After School billing & coordinating the STOP program certainly keeps me busy. I also have the pleasure of working alongside Mrs. Ebervein helping her when I can with the many scrapes and tummy aches that might arise throughout the day.

It was just yesterday (so it seems) my children graduated from St. Celestine. My awesome and beautiful daughter is teaching preschool at the Oak Park River Forest Day Nursery. She has also completed her Master's Degree in Education. I am grandma to Samson, my son Anthony's crazy canine, and Kristen's adorable little Boomer! My son got married in February to a wonderful girl with 2 adorable fur babies. So we have 2 rescues, and her 2; yes, that's 4!!! Good thing I have a 3 flat! I am looking forward to a FANTASTIC year with the addition of our many new families!

This year's challenges have tested many, however I feel it made us stronger, a bit more patient, and more aware of our surroundings. My wish is that all the sickness in the world will disappear and be replaced with love, respect, and compassion.
