#### **Jeff Fredrickson - Physical Education**

Looking forward to starting my 35<sup>th</sup> year of teaching physical education and 2<sup>nd</sup> year at St. Celestine. I am married to my lovely wife Karen for 28 years and have a cat Lilo and a dog Pixie. Outside of teaching, I am an assistant cross-country and track & field coach at Hampshire High School.

I am an avid Bears, Bulls and Cubs fan. I also collect autographs, Marvel comics and Hot Wheels. In my younger days I have run 3 marathons and countless 5 and 10ks. I also ran in the inaugural Frank Lloyd Wright 10k in Oak Park.
