YEAR 2021-2022

Julie Zambuto - Title I Reading Teacher

I am so happy to be back at St. Celestine School for my third year. This year I will be teaching the Title I program to 4th through 8th grade in reading and math. I love being part of a wonderful school and community. My classroom has always been a fun, safe, nurturing place where students love to come and learn!

I have taught for 19 wonderful years! I taught in Schiller Park, District 81 for 14 years. I taught 4-8 grade before becoming an administrator. I was the Curriculum Director for grades 6-8 and the following year I became the Curriculum Director for Pre K-8th grade. I love curriculum!

I took a break from teaching to raise my children but returned years later. I was excited to become a Reading Interventionist in District 48 Salt Creek, Oak Brook Terrace. I worked with second grade students in reading. Then I joined Catapult Learning and was blessed to be at St. Celestine teaching reading.

I received my Bachelor's Degree from Northeastern Illinois University. I graduated with a Bachelor's degree in Education with a minor in English and an endorsement in social studies. I went to Concordia University and received a Master's degree in Curriculum and Instruction. I received my Administrative Certification from DePaul University.

In my spare time, I keep busy with my family! I live in Park Ridge, and I have been married for almost 25 years! I have three kids that keep me busy! I have a daughter, Gabriella, that is 16 and a sophomore in high school. She plays travel basketball and travel soccer. I also have twins, Isabella and Vinny, that are 15 and are freshmen in high school. Isabella is a competitive dancer and has been for years. Vinny is a soccer and hockey player! We have a dog and his name is Luigi! We love to do outdoor activities and travel.

I look forward to a fun and exciting year, filled with great learning at St. Celestine!
