YEAR 2022-2023

Kaitlin McNulty - Kindergarten - Room 114

My name is Kaitlin McNulty. I am a graduate of St. Celestine School. I graduated from Northeastern Illinois University where I received my bachelor's degree in Elementary Education with endorsements in Social Science, Language Arts, and Middle School.

This is my 11th year teaching at St. Celestine and my 7th year teaching in Kindergarten. I am very excited to be working here because I have always loved the school, my teachers and this community. I am very lucky that I am able to teach in the same school that had a huge part in making me the person I am today!

I am the oldest of six children all who have attended St. Celestine School. We have been a part of the St. Celestine community for many years. In my free time I like to spend time with my family and friends. I enjoy watching and playing sports (The Cubs are my favorite!), coaching, reading, and traveling.

I am also the Athletic Director here at St. Celestine. I am so excited to be working with all the student athletes! GO CELTICS!
