YEAR 2021-2022

Karolina Gicala - 3rd Grade - Math Teacher

Hello! My name is Karolina Gicala, and this is my fifth year teaching at St. Celestine School.

For high school I attended Lane Tech College Prep High School in Chicago. I graduated from DePaul University magna cum laude with a Bachelor of Science degree in Elementary Education.

I am familiar with the Elmwood Park area because I was raised and still live on the northwest side of Chicago. Some of my interests include: animals, writing, reading, art, and travel. I also love learning about different cultures and their languages.

I am looking forward to teaching my class of third grade students at St. Celestine School! I know that this year will be terrific!
