YEAR 2024-2025

Margaret Healy – 6-8 Grade

My name is Margaret Healy and I am so excited to be returning to the St. Celestine team. This will be my nineteenth year as an educator, and my fourth year here. I have taught all grades four through eight with a specific focus on the subjects of science, social studies, and reading. I can't wait to teach sixth, seventh, and eighth grade this year!

I graduated from the University of Notre Dame with a bachelor's degree in history. I then completed a two year teaching service program through Loyola University Chicago, teaching while earning my Master's of Education.

My husband and I live in Elmwood Park and I am so happy to be near the places I spent the formative years of my life. In my spare time, I love spending time with my family and friends. I also enjoy reading, cooking, baking, and completing puzzles.

I am so happy to be returning to this community and having an amazing school year!
