### **YEAR 2022-2023**

#### **Mattie Hawkinson - Fourth Grade - Room 102**

I'm so happy to be teaching 4th grade for my second year here at St. Celestine School.

Over the years I've worked in Special Education, substitute taught, taught 4th grade Drama and Social Studies, and instructed high school English and Reading in the Los Angeles area. I am currently working toward my Master's degree in teaching through Dominican University and graduated with my Bachelor's degree from Northwestern University, studying Communications and English.

In addition to teaching I have a background in theatre performance, directing, and playwriting and have directed and written a number of plays for children.

Looking forward to a great year,

Ms. Hawkinson
