YEAR 2021-2022

Michelle Doyle - Kindergarten Teacher

This is my seventeenth year here at St. Celestine in kindergarten and my twentieth year of teaching. I graduated from Dominican University with a Bachelor of Science in Mathematics and a Master of Science in Education with a concentration in literacy and a Master of Science in Education a concentration in technology education. I am now happy to be an adjunct professor at Dominican University in the education graduate programs.

I am married and have three children. My children are proud to be third generation St. Celestine students. My oldest currently attends St. Patrick High School and I have a daughter attending Resurrection High School. In my free time I enjoy reading, crafting with my Cricut, and sewing quilts. Over this past year, I was happy to learn how to crochet from my daughter.

I love teaching kindergarten and I am looking forward to another fun and exciting year. I am especially interested in incorporating technology into the classroom. I am an ambassador for both OSMO and Seesaw, which are both apps that I use in my classroom. I am excited to bring this information into my kindergarten class.
