### **YEAR 2023-2024**

#### **Michelle Doyle – Kindergarten – Room 113**

This is my nineteenth year here at St. Celestine in kindergarten and my twenty-second year of teaching. I graduated from Dominican University with a Bachelor of Science in Mathematics and a Master of Science in Education with a concentration in literacy and a Master of Science in Education with a concentration in technology education. I am now happy to be an adjunct professor at Dominican University in the education graduate programs.

I am married and have three children. My children are proud to be third generation St. Celestine students. My children currently attend Marquette University, Resurrection High School, and St. Viator High School. In my free time I enjoy reading, crafting with my Cricut, and sewing quilts. Over this past year, I was happy to learn how to crochet from my daughter. During the summer, my family enjoyed a trip to London, England! We were able to see the king and queen in the annual Trooping of the Colours. One of the highlights of the trip was being able to go into the inner circle of Stonehenge.

I love teaching kindergarten and I am looking forward to another fun and exciting year. I am especially interested in incorporating technology into the classroom. I am an ambassador for both OSMO and Seesaw, which are both apps that I use in my classroom. I am excited to bring this information into my kindergarten class.
