YEAR 2020-2021 - Secretary

Norma Pulido

I have two wonderful children and a loving husband of 23 years. My daughter is in her fourth year of high school at Lane Tech. My son is a Junior at U of I in Urbana. I have facilitated several responsibilities over the years at St. Celestine, including Lunchroom Coordinator, Library Aide, Girl Scout Leader, Preschool Aide, and my current role as the school Secretary.

During my free time I enjoy reading novels and taking long drives. I look forward to being a part of the growth of St. Celestine School and I am enjoying my position as school secretary.
