YEAR 2022-2023

Sean Paschal - Fifth Grade - Room 206

Hello, and thank you for reading! This is my first year at St. Celestine and I can wholeheartedly say that I am absolutely *thrilled* to be here! I am a passionate educator and lifelong learner going on my fifth year of teaching. I've substitute taught every class imaginable and have even had my own classrooms as a long-term substitute teacher. This is, however, my first year having my very own English classroom and I could not be more excited.

I graduated from Concordia University in River Forest, where I majored in English and minored in psychology and education. I am also currently pursuing a Master's degree in Education. I believe studying and teaching English is my calling in life and what truly makes me happiest, so I'm so very thankful to be doing so.

At home, I love spending time with Logan, my German shepherd, and my cat, Zelda. They're surprisingly the best of friends. I also love reading, writing, walking and jogging, hiking in nature, lounging in the sun, listening to my records, playing videogames, and playing basketball. While I don't watch much TV anymore, I still like watching the NBA. Reading literature remains my favorite, though. I always aim to read, learn, and continuously improve everyday.

This is going to be a fantastic school year full of fun, learning, and growth!

"The world of literature is a world where there is no reality except that of the human imagination."

— Northrop Frye
