YEAR 2022-2023

Susan Petri - Second Grade - Room 105

I am entering my eleventh year at St. Celestine School. I am very excited to be back this year as a Second Grade classroom teacher. My teaching experience, in the classroom, ranges from Pre-School to 3rd Grade students over the last 35 years.

Aside from my role as a teacher, I am a wife and mother, as well. I live in Mount Prospect with my husband Randy. We have three daughters. Their names are Molly, Maggie and Mia. As a family, we love to bike, hike, vacation in Wisconsin and spend time in our garden. We also have a dog named Bella who enjoys when we take her for a daily walk or a car ride.

I am delighted to be working with Second Grade students every day and look forward to teaching them how to become successful learners! I know we are going to have a terrific year at St. Celestine School.
