YEAR 2022-2023

Susan Szeszol - Fourth Grade - Room 103

I am so happy to be in my twelfth year of teaching at St. Celestine School! I have taught students in all grade levels from kindergarten to high school seniors. Fourth grade is definitely one of my favorite grades to teach!

I have a Master of Arts in Education Reading Specialist degree from Dominican University, as well as a Bachelor of Arts degree in Education and English, also from Dominican University.

I am blessed with a loving husband, two great kids, an energetic Sheltie, and a fancy feline. My family and I love to get out into nature: God's creation. I especially love photographing birds and have been published in magazines, a book, calendars, and websites.

This past summer, my family and I traveled to New York City. We visited the Statue of Liberty, Ellis Island, and the 911 Memorial and Museum. I look forward to sharing what I learned with my students in social studies.

I am truly grateful to be part of a faith filled school and church community. I look forward to a wonderful school year!
