YEAR 2021-2022

Tracy Benetatos – Kindergarten Aide

My name is Tracy Benetatos and this is my first year working in Kindergarten at St. Celestine School. I have two Celtics of my own. My son, Luke, is in the 4th grade and my daughter, Quinn is in kindergarten. Before I had my own children, I was a preschool teacher and am so thrilled to be back in a classroom. Watching young kids learn, grow and have the “ah-ha” moments are just some of the things I love most about working with kids. I am currently Vice President of St. Celestine’s Parents Club and enjoy all the special events we put on for the teachers and students here at St. Celestine.

In my free time, I love to spend time with my husband, Sam, and my kids. We love heading to our lake house in Michigan- it is one of our favorite places to be! I enjoy crafting, working with my hands, and helping people in any way, shape, or form.

I’m so happy to be working at St. Celestine! It truly is our second home!
