YEAR 2023-2024

Tracy Benetatos – Kindergarten Aide

My name is Tracy Benetatos, and this is my third year working in Kindergarten at St. Celestine School. I am so blessed to work in Kindergarten, and I also enjoy leading the Mini Celtics program for 2-3 year olds here at school. Before having children of my own, I worked as a preschool teacher in Oakbrook for many years.

I have two children that attend St. Celestine School as well, Luke will be in 6th grade and Quinn is in 2nd. St Celestine is a second home to our family, and we just love it here!

In my free time, I love to spend time with my husband, Sam, and our kids. We love heading to our lake house in Michigan- it is our absolute favorite place. I enjoy arts and crafts, DIY projects, shopping and organizing.

I'm looking forward to getting to know all the new Kindergarteners this year!
